

The 2018 Tax Filing Season!

Your tax returns will be prepared from the information on the organizer and any other documents that you provide us and are assigned on a **first-in-first-out basis**. If you do not have any issues or transactions that warrant an appointment this year, then you can either mail in or drop off your information.

We cannot guarantee the completion of your tax return by its due date if all of your information has not been provided to our office **by 5:00 pm, March 23, 2018.**

If you prefer to complete your Organizer via a fillable pdf version, please visit our website: cpamcfadden.com

Extensions

If we prepared your 2016 personal income tax return and have not heard from you regarding the preparation of your 2017 return by **March 23, 2018, we will get an automatic extension** to file your return until October 15, 2018. At the time we get this extension, if you would like a copy sent to you, contact us after April 17th and we will e-mail you a copy. The IRS has changed its system to just one 6-month extension. **If at any time you decide not to have us prepare your return, we would appreciate notification. In that case, we will not obtain any extension on your behalf unless requested to do so.**

.....

Fee Structure and Increases Due to ACA (Obamacare) Compliance

As in the past, when notifying you that your return is completed, we will also inform you of the amount of our fee, which is payable when you pick up your return.

Our fee for preparing a tax return is the sum of 1) our hourly rates multiplied by the time we spend accumulating information, researching tax questions, and actually preparing the return, and 2) our processing costs, which include costs (at hourly rates) for computer processing, printing, proofreading, and assembling the returns. From time to time our fees are increased to cover the increasing costs of materials and labor. Many factors, other than the change in our rates, may work to increase or decrease your bill. Some of these factors are 1) the condition of the information you bring us, 2) changes in your tax situation, and 3) any changes in the tax laws.

Affordable Care Act

All Americans will be affected in some manner by the Affordable Care Act (also referred to as Obamacare). If you received a Form 1095 from any issuer or agency, we **MUST have all copies to prepare your tax return**. If you did not receive a 1095, we must ask you a number of additional questions about insurance coverage so that we can help you avoid any penalties for failure to have health insurance. **Our fees will reflect the required additional work related to your return due to the complexities related to compliance with this Act.**
