

The 2023 Tax Filing Season!

Your tax returns will be prepared from the information on the organizer and any other documents that you provide us and are assigned on a **first-in-first-out basis**. If you do not have any issues or transactions that warrant an appointment this year, then you can either mail in or drop off your information.

We cannot guarantee the completion of your tax return by the due date if all of your information has not been provided to our office by 5:00 pm, March 24, 2023.

IMPORTANT: Even though you may not be able to itemize on your federal return, you may be able to on your STATE return, so please still provide all of the itemized deduction information on pages 9 – 11 of the Organizer.

Extensions

If we prepared your 2021 personal income tax return and have not heard from you regarding the preparation of your 2022 return by March 24, 2023, we will get an automatic extension to file your return until October 16, 2023. At the time we get this extension, if you would like a copy sent to you, contact us after April 15th and we will e-mail you a copy. **If at any time you decide not to have us prepare your return, we would appreciate notification. In that case, we will not obtain any extension on your behalf unless requested to do so.**

.....

Fee Structure

As in the past, when notifying you that your return is completed, we will also inform you of the amount of our fee, which is payable when you pick up your return.

Our fee for preparing a tax return is the sum of 1) our hourly rates multiplied by the time we spend accumulating information, researching tax questions, and actually preparing the return, and 2) our processing costs, which include costs (at hourly rates) for computer processing, printing, proofreading, and assembling the returns. From time to time our fees are increased to cover the increasing costs of materials and labor. Many factors, other than the change in our rates, may work to increase or decrease your bill. Some of these factors are 1) the condition of the information you bring us, 2) changes in your tax situation, and 3) any changes in the tax laws.

Affordable Care Act

The IRS will no longer assess a penalty for those not having health insurance beginning 1/1/19.

Please do still provide us with any and all Forms 1095 that you receive.

Paper or no Paper?

The default way to receive your return is the way we've always provided it to you – a paper copy in our green folder.

If you would prefer to **only receive a pdf copy** via secure email, please mark this box:

If you would like a pdf copy **in addition to** your paper copy, please mark this box:

Note that if you would like to email us your tax documents, we have a secure dropbox on our website: www.cpamcfadden.com
